

## School Council - 8<sup>th</sup> January 2018

All class reps were present. Some reps had not had a chance to discuss the last meeting's minutes with their class. It is important that reps politely ask their teachers for their copy of the notes from each meeting. They are also available on the school system.

### Red gate

Reps requested that the red gate be opened between SWI and HAJ again during a lunchtime. 5C reps have volunteered to speak to Mr Coyne and to discuss a day suitable for this. Further detail, and a reminder of the rules, will be given in due course.

### Play equipment

School council have noticed that children are damaging the arch behind the play equipment. The reps are worried that this will be unusable if children continue to mistreat it. Children are reminded to play sensibly around that area and not to pull sections of the arch down.

Teachers please discuss appropriate behaviour on and around the play equipment with your class.

### Friends of Hanham Abbots requests

H AJ would like to have a FRIENDS committee again. School council were asked for help and ideas. ALL CLASSES TO BE ASKED

- Ideas for encouraging parents to join the FRIENDS committee
- Ideas for items to buy with any funds raised

Next meeting to be confirmed
