

Homework due in Tuesday 20th February.

Your homework project is to create a story box to help you explain what happens in your favourite story book. You will need to think about what your story box should have in it, to help you retell at least part of the story to the class.

Choose a shoebox (or similar) that you can fill with pictures, drawings and objects that will help you share your story. You could show one or more scenes from the book on the inside of the box. You could even decorate the outside if you wish!

If you're stuck for ideas think about the books we have read in class: *The Twits*, *Little Bear* and *The Stone Age Boy*.

Yours sincerely,

Mrs Milliner, Mr Hannam and Miss Lilley
