Friday 10th January 2020

Welcome back!

We hope you all enjoyed the two week holiday. The children have come back eager to learn and share their adventures.

If any families have photos of children completing the Christmas Reading Challenge please send them in to the class teachers so we can celebrate the joy of reading.

Sporting Success

The year 3/4 football team travelled to Mangotsfield secondary school to take part in a 'Come and Play' football tournament. They played 6 matches against schools from across Bristol. It was a successful event where the Hanham Abbots team scored some excellent goals and played some very good football. Mr Perry was impressed with the sportsmanship shown on the pitch towards each other and the opposition. Every single player performed brilliantly, playing in lots of different positions.

Eco-bricks

Please could Mrs Dimond have any used Innocent Smoothie bottles you may have. These will be used to create 'eco-bricks'.

Pupil absence

From January parents will be able to contact Louise Fox our new attendance officer directly on **absence@hanhamprimaryfederation.org** to report the absence of a child/children. If you wish to phone and leave a message please call our new absence line **01454 862 511**.

Special Ice-Cream Factory lunch!

Next Thursday (16th) we will be having a special lunch menu of hot dogs and ice cream for those children who have school dinners. Regular menu items will still be available.

Year 5 Erasmus Trip

There will be a meeting for those parents who have expressed an interest in the Year 5 Erasmus trip to Murcia in March on Tuesday 14th January at 3:15 in Miss Arter's classroom.

Relief Lunch Break Supervisor Vacancy

We are looking for relief members of staff to join our LBS (Lunch Break Supervisor) team at SWIS and HAJ. If you are interested and would like to find out more please contact the SWIS office team.

Board Games

Mrs Morris is seeking donations of board games for us in our rainbow room. Please let us know if you have any unwanted games.

Board Games

We are aware of some children having technical issues using Doodle Maths at home. If parents link themselves to their child's account by using the 'Grown Ups' tab, they will be able to report issues directly to the technical support team
